Hey! THAT'S NOT ALL YOU GET!

No, indeed! A great many companies pay out millions of dollars in extras—extras that don't show up on paychecks but which mean security and peace of mind for their employees. For example, here are some of the additional benefits received by men and women at CARBIDE.

- ★ A Group Insurance Plan provides life insurance, as well as sickness and accident and total and permanent disability benefits, for employees. The Company pays half the net cost.
- ★ Hospitalization and surgical benefits are available for employees and eligible dependents. The Company pays half the cost.
- ★ A Vacation Plan provides paid vacations of up to four weeks, depending on length of service.
- ★ A Savings Plan makes it easy for men and women at CARBIDE to save regularly. The Com-

- pany adds 10, 20, or 30 per cent to the amount an employee saves, depending upon whether he has one, two, or three or more years of Company service.
- ★ A Pension Plan provides eligible retired employees with an income for life. The Plan is paid for entirely by the Company.
- ★ A Retirement Plan, available to most employees, provides additional income after retirement, and for eligible beneficiaries in case of death. The Company pays most of the cost.
